

Study Abroad in Nepal

The Himalayan Study Abroad Program: Society and the Environment Kathmandu, Nepal

Study abroad in Nepal for 2 weeks in the Summer of 2009

- Learn about how Nepal's Holy Bagmati River influences the culture of the Nepali people
- Trek to rural Nepali villages to see village life and to learn about sustainable water conservation techniques
- Visit sights of natural and cultural importance in and around Kathmandu
- Class credit is available

An informational meeting will be held at **11:30 AM** on **October 1, 2008** in the **Economics building, room 1052**. This program is sponsored by the Nepal Study Center and the UNM Department of Economics.
