Abstract Submission Procedure

Abstract must be submitted online at https://indico.cern.ch/conferenceCFA.py?confId=192219

Please refer to the following guidelines when submitting your abstract:

1) Visit the web page: https://indico.cern.ch/conferenceCFA.py?confId=192219

2) Click on "Submit a new abstract"

3) If you already have CERN account, login in to your account and visit the conference website https://indico.cern.ch/conferenceCFA.py?confId=192219 (Go to Step 11)

4) If you do not have CERN account, click on "Create/Check your account".

5) On the next page, click on the "Register an account" [located at the bottom-right corner of the page] as shown by the red-arrow in the picture below.
6) Fill the required information and click "Register".
7) An email will be sent for the verification. Check your email and verify your email address by clicking on the link sent to your email.

8) You will be asked to choose password to complete the activation of your account. Choose the password with the required criteria and click "Confirm".
Account Management
